

Recovering in 2022

Sunday May 8th Pray for the persecuted

Carla, age 16, who lives in western Africa, came to faith in Christ in 2021. However, her widowed father practices animistic beliefs, and when he learned about Carla's decision to follow Jesus, he tried to force her to marry a non-believer. After she refused, her father became enraged and tried to place a curse on her. He also bribed a government official to bring a state case against her, causing Carla to flee to her uncle's house and drop out of school. Pray for Carla's hope in Christ to remain firm, and pray for her father to trust in Jesus for salvation.
