

Overcoming in 2023

Sunday September 24th – Pray for the persecuted.

Ajay, 24, has been pressured by his community in India and the police to return to Hinduism. The police arrested him and brought a false charge against him in an attempt to make him recant his faith. He was jailed for 9 days. Despite the ongoing pressure, Ajay has persevered in his faith. He knows that he will face difficulties because of following Jesus, but he will not forsake Christ.
