

Power (Not Ours) in 2024

Sunday September 8th—Pray for the persecuted

During the Christmas season of 2023, Pastor Mahesh Mukhiya, in Nepal, encountered a Hindu monk on the street. He prayed whether he should share the gospel with him, and then finally decided to approach the monk. After hearing about Jesus, the monk immediately started shouting, calling others to punish Mahesh. Many people gathered, but most of the villagers recognized Mahesh and told the monk that he has a respected member of the village. Pray for Pastor Mahesh and others boldly sharing the gospel throughout Nepal. Pray also for the salvation of this monk.
