## *Sunday July 28<sup>th</sup> - Pray for the persecuted*

Bhaluwan Kumar Paiswan was serving a 20-year prison sentence in Nepal for gang-related crimes when he ended up in a cell with a Christian. Annoyed at first, he eventually placed his faith in Christ. Upon release, he began to bring others to Christ. This led to his uncle (where they were staying) kicking him and his family out, and they were also beaten by relatives and have been living in a tent beside the road. However, they are still witnessing to others.
