## *Sunday November 24<sup>th</sup>—Pray for the persecuted*

Cai and Hien, have endured several years of persecution, in Vietnam, since placing their faith in Jesus in 2021. They were imprisoned, shunned and denied public services like electricity and water, and their children were not allowed to attend school. On November 5, 2024, their house was burned down, destroying all their possessions. Authorities have refused to help unless the couple will give up their faith in Jesus Christ. Pray for their material and spiritual needs.
