## *Sunday February 9<sup>th</sup> – Pray for the persecuted*

Pastor Dulal had received threats because of his Christian witness in his village. In 2024, Muslim extremists destroyed his home, gouging large holes in the walls and ripping out windows and doors while carrying away anything of value. Dulal said he was thankful that he and his family were not home at the time because he believes he would have been killed. As he tried to rebuild the house, which also serves as a meeting place for the church, he was met with resistance. However, other Christians aided him and rebuilt the house. He was encouraged by the Christian love and unity that showed he was not alone.
