

Resilience on God in 2025

Sunday January 12th - Pray for the persecuted

A Tajik follower of Christ named Nurbol is requesting prayer after his wife suddenly took their two children and left. Both Nurbol and his wife grew up as Muslims, but Nurbol came to faith in Christ recently. His wife seemed interested in Christianity, but after she left him, she said, "You reject Jesus, and I will come back. But if you don't, I won't." He responded, "I am not leaving Christ." Nurbol asks that people pray for his wife and her family to come to know the Lord and for God to give him strength as he faces these challenges.
