

Resilience on God in 2025

Sunday March 16th – Pray for the persecuted

One day, a neighbor overheard Mina, an Afghan Christian, worshipping Christ through an open window. The neighbor informed Mina's father, and he beat her severely. He then forced her to marry an older, abusive Muslim man. Mina is confused, but she is standing firm and has not recanted her faith in Jesus. Pray for her.

Monday March 17th
