

Resilience on God in 2025

Sunday March 9th – Pray for the persecuted

Like many Bangladeshi Christians in the months since the August 2024 overthrow of the government. Arif has faced increased pressure from Muslim extremist groups because of his faith in Christ. Witnessing this, Arif's brothers, who are still Muslim, have declared their support for him and their opposition to the Muslim clerics who have harassed Arif. Pray for Arif to stand firm in his faith.
