## *Sunday May 4<sup>th</sup> – Pray for the persecuted*

Christians, in Mauritania, fear for their safety after threats made on social media. The social media posts called local Christian's infidels and apostates and urged action against them. On April 7<sup>th</sup>, an angry mob entered a cemetery where a Christian man had recently been buried, destroyed his tombstone and exhumed his body. They then dragged his body through the streets to a village over 10 miles away to rebury it. Hate-filled media posts continued, against Christians, after that. Pray for them.
